Adventure 3

Mission  
Barbary

Coast

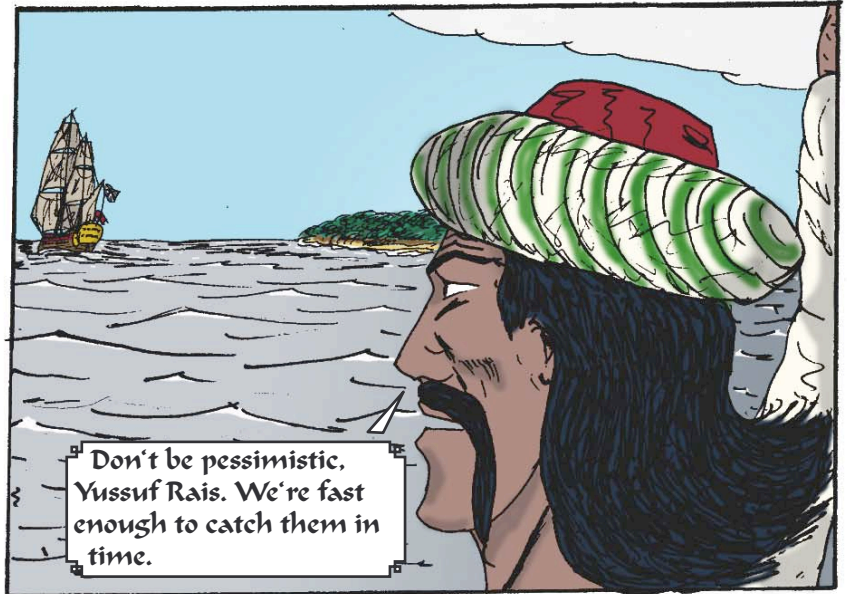

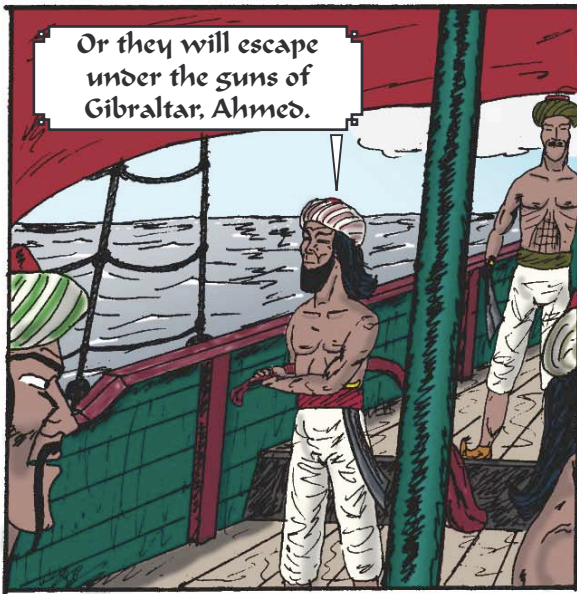

Part 2

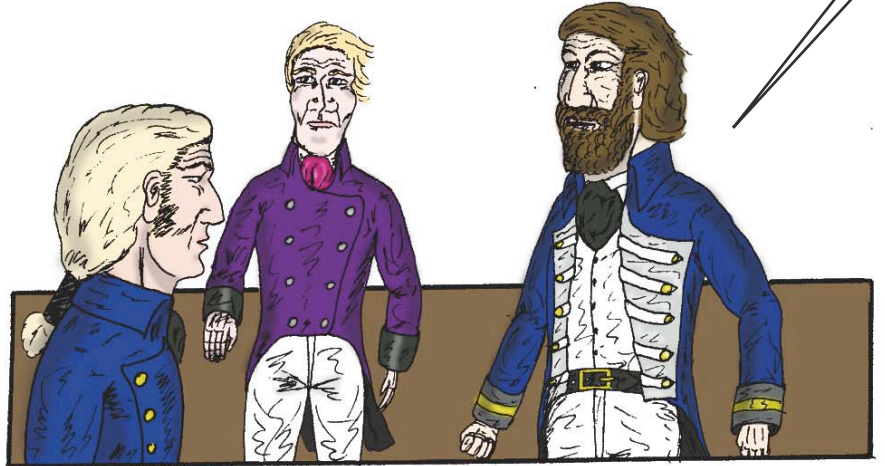

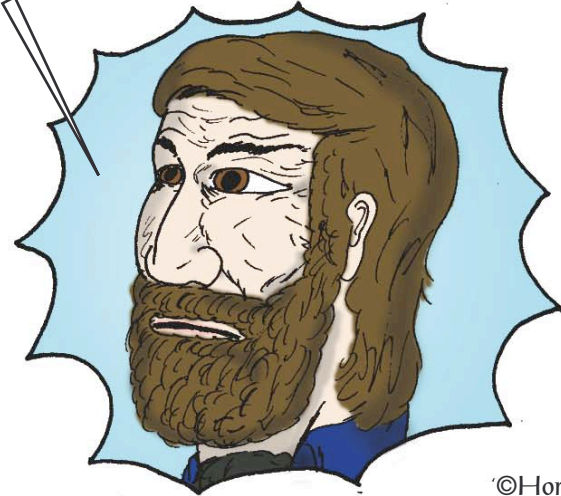

# Geiseln der Berber

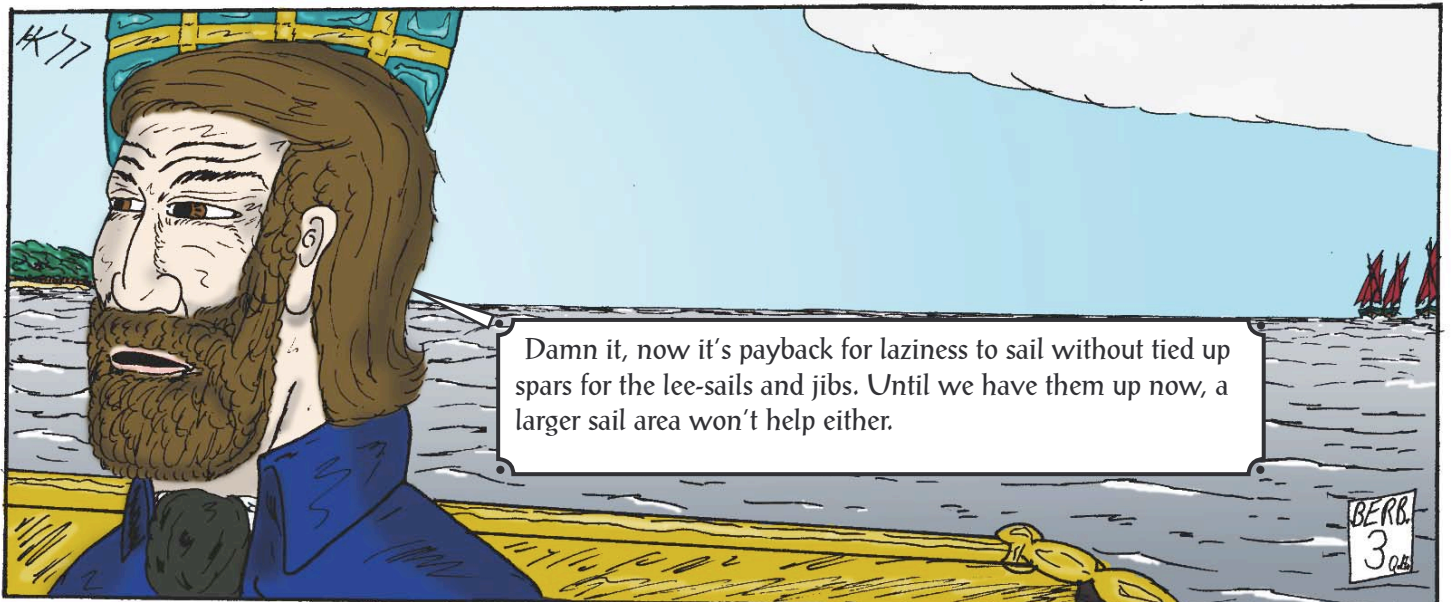

Bad news, my lord. They'll catch up with us way before Gibraltar. We'll be in sight, but auxiliary ships must sail against the wind. And whether we hold this long...

But we don't want to give up so easily. Mr. Carey! Prepare the ship for action! And signal for Gibraltar. The sooner they see it, the sooner they can act.
